03/23/2021 16:18:49 UTC PATRICK HALLIGAN (PHALLIGAN7@Bloomberg.net) posted: Something doesn't sound right at all - how do you make \$750m in trade p&L with less than \$1B in trades?

03/23/2021 16:47:10 UTC PATRICK HALLIGAN (PHALLIGAN7@Bloomberg.net) posted: Just call - we are in a crisis

03/23/2021 16:47:12 UTC SCOTT BECKER (SBECKER15@Bloomberg.net) posted: Yes we should, the main problem at WF is that our debit balance can't go above \$3B. Right now its at \$2.9B, from a margin perspective we could put more there and that would eat into that excess. However I don't think their credit team will allow us to put more on there
